A Traditional Activity Involving Data

The chart below contains information on hawk populations in two different locations in the Midwest.

Year	Hawk Population of Location A	Hawk Population of Location B
2012	58	73
2013	63	61
2014	64	55
2015	67	59

Which location has the highest mean population over the four years represented?

The TASC Transition curriculum is a collaborative project of the New York State Education Department and the Queens Borough Public Library, supported by funding from the New York State Department of Labor.
