

DRAMA CLUB

Are you an aspiring actor or actress? Are you curious about what it's like to perform on stage? Have you ever dreamed of becoming a movie star? This program will give you a chance to learn about theater and explore the art of acting. Each Thursday, we will address a new area of stagecraft, culminating in a showcase. Participation is voluntary. Be in the show or help put it on!

The workshops will be taught by **Dr. Arlean Wells**, an actor and acting teacher with 20 years of experience. Ms. Wells studied acting at Howard University, Black Spectrum Theatre, The Negro Ensemble Company, New Federal Theatre, and Jamaica Performing Arts Center in Queens. She has performed in off-Broadway productions and community plays, and has taught acting workshops throughout New York City and in South Africa.

ADMISSION IS FREE.
