COMMUNITY READ OF

On Tyranny: Twenty Lessons from the Twentieth Century

Join us for an important discussion as we review the lessons presented in *On Tyranny: Twenty Lessons from the Twentieth Century* by **Timothy Snyder**, history professor at Yale University. The founding fathers tried to protect us from the threat they knew, the tyranny that overcame ancient democracy. Today, it is important for everyone to understand the new threats we face, how they impact our political systems, and what we can do to avoid the pitfalls of the past. This easy-to-read, pocket-sized volume can be requested through Queens Library.

ADMISSION IS FREE.
