

EVERY TEEN READY TO ACHIEVE: TEEN MAKERSPACE AFTERNOONS

For 24 sessions over 12 weeks, teens engage in a series of hands-on projects to develop their ability to identify problems, brainstorm, tinker, create, innovate, and reach solutions. This is open to teens ages 14-19. Teens who attend 12 sessions will be invited to an end of program party. Those who attend 20 sessions or more will receive a certificate of completion.

ADMISSION IS FREE.
