

AN INTRODUCTION TO SAMBA:

Music, Dance, and Culture by Samba New York! with Philip Galinsky

When you think Brazil, you think samba – driving percussive rhythms with intricate dance footwork and beautiful costumes that are part of Carnival in Rio de Janeiro. Ethnomusicologist/percussionist Philip Galinsky shares some interesting facts about the origins of samba, its instruments, and rhythms. The program will also include a live samba demonstration along with a short samba dance lesson!
