

# TODDLER LEARNING

ages  
18-38  
months

**Fall 2017**

Bring your  
child to  
Queens  
Library for  
a little TLC!

## A SPECIAL PROGRAM FOR TODDLERS AND THEIR ADULT CAREGIVERS

Play and learn with your child in a free, five-session workshop that includes toys, games, puzzles and other items specially selected to enhance a toddler's educational and physical development.

Child-development specialists will be available to talk to parents and caregivers about the special concerns of child rearing.

Each family will also receive a free information packet to take home.

This special program is presented several times a year in more than 30 Queens Library locations.

Participants can sign up at any community library that has space available.

**Please check to see if preregistration is required.**

For more information or to preregister for one of the programs listed here, call the library directly. Preregistration is on a first-come, first-served basis. Due to space limitations, we regret that we cannot allow families to enroll for more than one series.

### Astoria

14-01 Astoria Boulevard
