I. **LIBRARY OVERVIEW**

The Library is an independent not-for-profit corporation. It is one of the largest and most innovative libraries in the world and one of the three New York City library systems. The Library consists of a Central Library and other facilities located throughout the County of Queens in the State of New York. For a complete listing of current facilities please visit the Library’s webpage: [http://www.queenslibrary.org/ql_findabranchn\.](http://www.queenslibrary.org/ql_findabranchn)

The Library serves 2.3 million Queens residents, with an extensive collection of books, reference materials, periodicals, government documents, video and audiocassettes, records, compact discs, DVDs, and photographs and maps. The Library has a computerized integrated circulation and catalog system, state-of-the-art computer equipment in all community libraries, and the ability to provide information through free Internet access to the public. The Library offers a wide variety of reading, writing, and literacy programs, and functions as an integral part of the Queens community.

II. **SCOPE OF WORK**

The Library has decided to engage the expertise of qualified vendors to provide system wide sewer and drainage services throughout the Library system. For current library locations please visit the Library’s webpage: [http://www.queenslibrary.org/ql_findabranchn\.](http://www.queenslibrary.org/ql_findabranchn)

Bidder’s maximum percentage mark-up of materials shall not exceed twenty percent (20%). Bidders are to provide the following bid prices on Form #4 – Bid Sheets:

a. A single Maximum Straight Hourly Rate for Personnel inclusive performing all sewer and drainage activities and the equipment to perform such activities.

b. A single Maximum Straight Hourly Rate for a Jet Vac Truck inclusive of one operator and the performance of all related Jet Vac truck sewer and drainage activities and equipment to perform such activities.

c. A single Maximum Straight Hourly Rate for a Pump Truck inclusive of one operator and the performance of all related Pump Truck sewer and drainage activities and equipment to perform such activities.

1. The Successful Bidder to provide all labor, vehicles, materials, equipment and supervision to perform services for sewer and drainage services for the Library’s system-wide needs on a time and materials basis as specified herein. Such work includes but is not limited to sewer lines, drains and traps. The intent of cleaning is to remove all sludge, dirt, sand, rocks, grease, and other solids or semisolid material so that defects are not obscured and to allow the water level to drop. The Successful Bidder shall perform, as required, preliminary inspection of pipes, lines, and drains, using camera and other equipment that meets industry standards. In
addition, the Successful Bidder shall locate clogs, determine cause of noxious odors, and/or assess condition of pipes or drains in order to recommend steps to mitigate future occurrences.

2. The Successful Bidders clearing methods shall be industry approved. Selection of method and equipment for each type of operation shall be made by The Successful Bidder with the concurrence designated Library personnel shall be based on the type of work to be performed, field conditions, type of debris to be removed, depth of sewage flow, and pipe material. The equipment selected for cleaning shall be capable of removing dirt, grease, rocks, sand, sticks, branches, leaves and other deleterious materials and obstructions from the lines.

3. The Successful Bidder shall perform sewer line cleaning by using electronically or manually operated, directly or remotely controlled, mechanically or hydraulically propelled cleaning equipment. Normal line cleaning shall be performed by using an approved drilling device (i.e., auger) or high velocity water jetting.

4. The Successful Bidder shall perform heavy cleaning of sewers on lines at the direction of an approved Library personnel. Heavy line cleaning shall be performed by using mechanical equipment when water jetting is unsuccessful. In NO case shall the Successful Bidder’s heavy line cleaning be used on PVC pipe. Heavy cleaning shall be conducted using bucket machines and shall include the removal of foreign materials from the lines. The Successful Bidder shall not be responsible for removing mortar or other similar material that are permanently attached to the pipe walls.

5. Satisfactory precautions shall be taken by the Successful Bidder to protect lines from damage that might be inflicted by improper use of the cleaning equipment. Whenever hydraulically propelled cleaning tools that depend upon water pressure to provide its cleaning force, or any tools that retard the flow of water in the sewer line, are used, precautions shall be taken to ensure that the water does not cause damage or flooding to public or private property.

6. The Successful Bidder will be solely responsible and held liable for any claims or damages arising from any action or lack of action arising from reckless, negligent, or careless behavior.

7. If water is obtained from a potable supply, appropriate backflow prevention devices shall be provided to protect the potable system from cross connections and contamination. The Successful Bidder shall be solely responsible for preventing cross contamination of any public or private water systems used for this purpose.

8. All cleaning equipment shall be industry approved. The Successful Bidder’s hydraulic cleaning equipment used shall be of a movable dam type and be constructed in such a way that a portion of the dam may be collapsed at any time during the cleaning operation to allow the sewage flow past the cleaning head to protect against flooding of the sewer. The movable dam shall be equal in diameter to the pipe being cleaned and shall provide a flexible scraper around the outer periphery to ensure total removal of grease. If cleaning balls or other such equipment that cannot be collapsed instantly are used, special precautions against flooding of the sewers and causing damage to public or private property shall be taken.

9. The Successful Bidder’s high velocity sewer cleaning equipment shall be designed for ease and safety of operation. The Successful Bidder’s equipment shall have a selection of two or more high velocity nozzles. The nozzles shall be capable of producing a scouring action from 15 degrees to 45 degrees in all sizes designated to be cleaned. Cleaning shall be accomplished
by the Successful Bidder by using a pump capable of delivering water from 800 to 1500 psi to the self-propelled nozzles. The Successful Bidder’s equipment shall also include a high velocity gun for washing and scouring wet well walls and floor. The gun shall be capable of producing flows from a fine spray to a solid stream. The equipment shall carry its own water tank, auxiliary engines, pumps, and hydraulically driven hose.

10. The Successful Bidder shall have the ability to remove roots from the sewer lines as may be required. Roots shall be removed by the Successful Bidder in the designated sections where there is a root intrusion. Special attention shall be used by the Successful Bidder during the cleaning operation to assure complete removal of roots from the joints. The Successful Bidder’s procedures may include the use of mechanical equipment such as rodding machines, winches using root cutters and porcupines.

11. All sewer lines to be cleaned by the Successful Bidder shall be plugged at the discharge end prior to cleaning.

12. All sludge, dirt, rocks, grease, and other solid or semi-solid material resulting from the cleaning operation shall be removed by the Successful Bidder at the downstream manhole or wet well of the section being cleaned. Passing material from one sewer line section to another sewer line section or from manhole section to manhole section shall not be permitted by the Successful Bidder except when using high velocity jet equipment. The maximum limit before material is removed will be approximately 600 feet.

13. All debris, solids or semi-solids resulting from the cleaning operations shall be removed by the Successful Bidder from the site and disposed of at a legally permitted site for that purpose. At a minimum all materials shall be removed by the Successful Bidder from the site at the end of each workday. Under no circumstances will the Successful Bidder be allowed to accumulate debris, etc., on the site of work beyond the stated time, except in totally enclosed containers and as approved by the Library’s designated personnel.

14. Inspection (i.e., portable video) shall be performed to ensure the satisfaction of the Library’s designated personnel that proper cleaning of the line has been performed by the Successful Bidder. If inspection shows the cleaning to be unsatisfactory, the Successful Bidder will be required to re-clean and re-inspect the line section until the cleaning is acceptable at no additional cost. Sewer line cleaning by the Successful Bidder may include post-cleaning camera inspection to assure satisfactory results.

15. The Successful Bidder shall not subcontract any part of the work under this bid without submitting a request in writing to the Library. No subcontract or assignment shall under any circumstances relieve the Successful Bidder of obligations and liabilities under the bid.

16. The Successful Bidder shall utilize sample form “Work Bid Sheet” below for submission of cost estimates for work to be performed during the effective periods of this service agreement, as per unit pricing. Based on the Library approval of Bid(s), Library will issue purchase order(s) to contractor(s) to affect the work. Contractor is expected to commence scheduled work within five (5) working days following the issuance of purchase order(s) for additional work, weather permitting, and is expected to complete its work within the time frame estimated on “Work Bid Sheet” weather permitting. For emergency related calls, Contractor is expected to commence work within two (2) hours following the Library’s designated personnel permission to proceed.
17. The Library anticipates a timely response (within five (5) working days) following request for submission of “Work Bid Sheet” by the Successful Bidder, in order for the Library to execute purchase orders to initiate and schedule necessary work in a timely manner. For emergency related calls, the Library anticipates a timely response within two (2) hours.

18. The Successful Bidder shall thoroughly examine and be familiar with all requirements. The failure or omission of any contractor to fully examine the bid shall in no way relieve The Successful Bidder from any obligations with respect to performance of the proposed contract and the contemplated work therein, for the consideration set forth by Bidder in its bid submission.

19. A mandatory pre-bidders meeting has been scheduled to answer any questions and discuss any pertinent information with regard to the scope of work prior to submission. The Library may issue addendum(s) as required during the bid process to clarify any issues. Prospective bidders attending must confirm attendance by emailing the Library’s Procurement Department at BIDcontact@queenslibrary.org.

20. The Successful Bidder’s service shall include, but is not limited to, providing all labor and materials necessary to perform sewer and drainage services for the Library’s system-wide facilities. The Library shall have the ability to direct the Successful Bidder to perform work at selected facilities as required based on the pricing structure provided under this bid. The Successful Bidder shall not charge the Library in excess of one (“1”) hour travel time for each of its personnel arriving at a Library facility. In its performance of actual services for the Library, if the Successful Bidder needs to travel from a Library facility to the Successful Bidder’s facility and/or a parts warehouse, the Successful Bidder shall not charge the Library in excess of one (“1”) hour travel time of its personnel leaving a Library facility. For shop fabrications, the Successful Bidder shall charge the Library for time actually spent performing such services in accordance to the contract hourly rates.

21. The Successful Bidder shall perform all work in accordance with Best Commercial Practices and in compliance with all applicable codes of any agency having jurisdiction over the worksite and work performed.

22. The Library shall designate Departments and authorized personnel shall direct the Successful Bidder to perform services at designated sites as required, based on field evaluation, project meetings and / or applicable drawings. Identification of authorized Library personnel will be provided to the Successful Bidder at the commencement of an awarded service contract and will be updated as may be required by the Library.

23. The Successful Bidder shall be responsible to perform work in such a manner to limit interference with Library public service operations, as feasible. In the event services requires interruption of public service, the Successful Bidder shall notify the designated Library contact in order to coordinate the project. The Library shall provide reasonable access as required for service and repair. Unless in the case of an emergency, work that requires building closure, shall be scheduled by the Library and the Successful Bidder a minimum of thirty (30) days in advance.

24. The Successful Bidder shall erect scaffolding and barriers, perform demolition as necessary and in accordance to applicable laws. The Successful Bidder shall be responsible for filing with New York City Buildings Department and/or all other agencies having jurisdiction as appropriate for permit, inspection, testing application documents, as required per specific job
conditions and scope of work. All permits for specific work shall be displayed by the Successful Bidder or otherwise available for inspection by appropriate agencies. Proposed permit requirements shall be identified on attached Statement of Work (“SOW”).

25. The Successful Bidder shall be responsible to notify the Library’s designated personnel regarding the potential presence of asbestos containing material (“ACM”) prior to commencing work at a designated site. The Library will engage the services of a testing firm to determine the presence or absence of ACM, prior to having the Successful Bidder initiate its work.

26. Work performed and materials furnished by the Successful Bidder shall be subject to inspection and approval by designated personnel of Facilities & Environmental Services (“FES”) department or other Department’s designated by the Library in order to process payment(s). All materials used by the Successful Bidder shall be asbestos free. The Successful Bidder shall furnish an inspection check list bearing the signature of the Successful Bidder’s personnel performing the inspection and the Library’s personnel certifying receipt of services.

27. The Successful Bidder to provide minimum one (1) year warranty against defects in labor and materials for selected work from date of completion of work.

28. The Successful Bidder shall maintain sufficient stock of materials necessary for execution of the work under this bid or shall have ready access to materials so as not to delay the performance of work.

29. The Successful Bidder shall provide staffing at its office during regular working hours that are able to contact service personnel, or may provide an answering machine announcing the telephone number of such personnel or an operator staffed answering service who can contact such personnel for times other than regular working hours, or other appropriate electronic means of contacting service personnel.

30. The Successful Bidder shall provide regular service 8:00 a.m. - 5:00 p.m., Monday through Friday, including any holidays when the Library is open to the public on straight-time rates. Work performed at times other than regular working hours, Saturdays or for Sundays or holidays when The Library is not open to the public shall be on overtime and premium time rates, respectively, as required (see Bid Pricing Sheets). At the request of the Library’s designated representative, the Successful Bidder must respond to emergency work within two hours.

31. The Successful Bidder shall agree and accept that maximum percentage mark-up of materials shall not exceed twenty percent (20%). The Successful Bidder shall provide reference to trade supply house publication(s) used by the Successful Bidder or other documentation as appropriate in order to substantiate materials prices. The subcontracting of other trade work requires the approval of the Library as communicated by the Procurement Department.

32. If the Library requires the Successful Bidder to purchase permits, performance bonds, other bonds or similar requirements, the Library shall reimburse the successful bidder at costs.
33. The Library shall have the sole authority to instruct the Successful Bidder to remove any personnel from a project that the Library has determined has created a health, safety or a security concern. Such determination will be made in writing.

34. The Successful Bidder shall provide sufficient service personnel as necessary to meet contractual obligations as applicable, who may have to work additional hours as necessary.

35. The Successful Bidder shall remove all rubbish, debris, waste material, temporary structures, barricades or other materials away from Library property upon completion of service calls or other work performed as applicable.

36. Following formal award by the Library for this bid, the Library and the Successful Bidder will execute the contract that is referenced in this bid. The Library will then implement individual project(s) as required by obtaining a SOW from the Successful Bidder based on project scope, as per the contract unit prices. Upon acceptance by the Library of the SOW, the Library will execute a Purchase Order to the Successful Bidder for the individual project, and the Successful Bidder to submit an invoice for work performed.

37. The Successful Bidder shall properly utilize the SOW to indicate all of the necessary labor and material costs required to provide a price for the job. The submission per location for all aspects of the work is to be a firm price. Any adjustments as required during the job based on the price rate structure shall be approved by designated Library personnel.

38. The Library anticipates that the Successful Bidder will provide timely and correct SOW proposals within three working days following Library’s request for submission of SOW. Repeated failure to submit timely and correct SOW proposals in response to requests may be cause for the Library to rescind award of this service agreement.

39. Based on issuance of a Purchase Order to affect work, the Successful Bidder is expected to commence work within three working days and is expected to complete the work within the time frame estimated on the SOW (as required). All emergency work to be coordinated accordingly with Library’s authorized representative in order to expedite performance of work.

40. All invoicing by the Successful Bidder shall clearly identify project location and associated Purchase Order (“PO”) number, including invoicing for partial progress payments. The Successful Bidder’s invoice(s) is anticipated to match The Library approved SOW, including any subsequent approved Work Sheets or adjustments to the POs based on field conditions or other factors impacting the project. Failure by the Successful Bidder to identify appropriate PO # may impact timeliness of payment(s).

41. This bid is subject to compliance with the Prevailing Wage Law. The Successful Bidder and any of its subcontractors must conform to the provisions of Labor Law 220. Prevailing Wage schedules can be found http://comptroller.nyc.gov/prevailing-wage/wage-schedules/.

42. The Successful Bidder shall conform to the following Project Site Conditions and Protection Requirements:

   a. Notification – The Successful Bidder to give a minimum of three (3) days’ notice to the Library prior to commencing any work and notify Library representative on a daily basis of any change in work schedule.
b. Permits – The Successful Bidder to obtain all permits required by local agencies and pay all fees which may be required for the performance of the work.

c. Safety – The Successful Bidder to familiarize every member of the application crew with all fire and safety regulations recommended by OSHA, NRCA and other industry or local governmental groups.

d. Limited Access – The Successful Bidder to prevent access by the public or other unauthorized personnel to materials, tools and equipment during the course of the project.

e. Debris – The Successful Bidder to remove all debris daily from the project site and take to a legal dumping area authorized to receive such materials. Job site is to remain safe and clean to the Library’s satisfaction. At the completion of job, all rubbish, debris, waste material, temporary structures, barricades or other materials to be removed from the Library property by the Successful Bidder.

43. The Successful Bidder shall perform the following as preventative maintenance measures:

**Central Library:**

i. Perform monthly house trap cleaning.

ii. Perform monthly grease trap cleaning at the Library Café.

iii. Perform quarterly and as required ejector pit cleaning (C-Level). To be scheduled by Maintenance Department.

**Flushing**

i. Perform quarterly and as required ejector pit cleaning. To be scheduled by Maintenance or Building Manager.

The Library anticipates that trap cleanings and grease trap can be performed without a need of a special vehicle. Also the Library anticipates that the grease trap requires special hand held vacuum equipment. In addition, the Library anticipates that the ejector pit requires a vacuum truck.

All work shall be monitored regularly to ensure that no defects occur to work or materials failings, therefore providing work of the highest standard. The Successful Bidder shall also conform to all regulations of public agencies, including any specific requirements of the local, city and / or state jurisdiction. The Successful Bidder’s employees assigned to perform work under the specification must have the proper certification and/or licenses, as required by applicable laws, rules, and/or regulations. In the bid submission please describe your firm’s experience and compliance with the above.

2. As may be required by the City, the Successful Bidder and any of its subcontractors must be licensed in NYC with a minimum of 5 years work experience of similar size and scope and is able to demonstrate its capability as general contractors with a complete project record satisfactory to the Library. If applicable, Bidder(s) must demonstrate that it is a licensed and that it is certified to perform the specified services. In the bid submission please supply evidence that your firm meets this requirement. The Successful Bidder must identify all subcontractors for plumbing services that it plans to utilize.

3. Provide a brief description of your firm, its history and ownership structure, and its number of employees and number and types of vehicles. Also include any significant developments, or organization, ownership or financial structure changes that have occurred in the last three (3) years, or that you anticipate in the future.

4. Provide the name, title, address, telephone and fax number, and e-mail address of the individual the Library should contact with respect to your bid. Make a statement regarding the availability of this individual as the primary contact to the Library throughout the term contemplated under this bid.

5. Provide a summary of your firm’s experience and qualifications in meeting the standards of the Vendor Qualification requirements contained in the bid document and with executing the obligations listed in the Scope of Work. Include specific references to work for not-for-profit corporations, library systems or other like-entities. Also include information about work performed for NYC, NYS or other governmental entities. In describing the experience, name each client and the nature of the work performed, with specific reference to (a) the services provided; (b) the term of such services and (c) the estimated contract value.

6. Describe how you would staff the engagement and be able to respond to the Scope of Work.

7. Provide a minimum of three (3) recent clients as references that best represent your ability to perform the tasks described in this Bid (a “Reference Client”). Provide the Reference Client’s name, contact person, title, address, and telephone number. Please provide details on the work performed for each Reference Client, including, the length of any contract, contract value and explanation of how the work performed
is similar to the work required by the Library, as well as any other pertinent information relevant to representing your qualifications to perform the work.

8. Provide copies of your two (2) most recent audited financial statements. If audited financial statements are not available, please explain why and identify how the Library can assess the financial condition of your firm.

9. Identify the nature of any potential conflict of interest your firm or any proposed sub-consultants might have in providing the Scope of Work under this bid with the Library.

   (a) Discuss fully any conflicts of interest, actual or potential, which might arise in connection with your firm's involvement with the Library. If your firm believes that a conflict of interest might arise, please describe how such conflict would be resolved.

   (b) State whether your firm represents any party that is or may be adverse to the Library.

10. Discuss any past or present civil or criminal legal investigations, litigation or regulatory action involving your firm or any of its employees that could impact your role or ability to serve as a contractor to the Library. If none, include a statement that there are no past or present civil or criminal legal investigations, or pertinent litigation and or regulatory actions that could impact your firm’s ability to serve in the required capacity.

IV. **CONTRACT TERM**

   It is anticipated that the term of this agreement shall be for a (3) three year period with (2) two one year options to renew. The Library may terminate the contract at any time, in its sole discretion, upon written notice.

V. **BID PROCESS AND GUIDELINES**

   1. The sealed envelope shall be clearly marked "**Sealed Bid Response – BID #0219-1, Sewer and Drainage**" and endorsed on its face with the name of the person, firm or corporation submitting the bid. Firm must submit an electronic submittal of your bid on a flash drive or similar device with your bid submission

   2. Bidder to provide responses to bid section III. Vendor Qualifications, provide all requested forms and to attend pre-bidders conference. Bidders that fail to provide all of the requested information and attend a pre-bidders conference may be deemed non-responsive in the sole judgement of the Library.

   3. Following the Bid opening, the Library shall issue an award, if any, to a Bidder, adhering to the Library's award cycle and approval by the Library’s Board of Trustees.
4. The Library reserves the right to accept this Bid by item, section or as a whole, or in its discretion, to reject all responses. Also reserved is the right to reject, for cause, any Bid responses in whole or in part, to waive technical defects, qualifications, irregularities and *omissions* if, in its judgment, the best interests of the Library will be served.

5. The Library reserves the right to award the contract to the lowest-priced and highest points, and responsible low bidder deemed qualified by the Library, split the award between two or more Bidders or project locations, or make no award, as will best promote the Library’s interest, taking into consideration the reliability of the Bidder, quality of the services, materials, equipment or supplies to be furnished, and its conformity with the requirements of the Bid.

6. Following the issuance of an award, the Library shall issue a formal contract, which shall not be binding unless and until the Library and a Bidder execute a contract.

7. In the event a Bidder proposes to furnish substitutions for a service or product, as appropriate, this information shall be identified in writing, including full technical descriptions, catalog cuts and samples, as appropriate, with the Bid. The Library reserves the right to request a representative sample of the item(s) quoted, either prior to award, or before shipment is made. The sole determination of equality shall be made by the Library. If the sample or other technical description is not in accordance with the Bid, or is otherwise deemed not to be an equal to that specified, the Library may reject the bid, or, if award has been made, cancel the contract at the expense of the Bidder.

8. Bidders shall thoroughly examine and be familiar with all requirements of the Bid and drawings (if any). The failure or omission of any Bidder to fully examine the Bid, any drawings and site conditions shall in no way relieve Bidder from any obligations with respect to performance of the contract and the contemplated work therein.

9. If a Bidder discovers any ambiguity, conflict, discrepancy, omission or other error in this Bid, it shall immediately notify the Library in writing to William Funk, Director of Procurement Management at BIDcontact@queenslibrary.org of such error and request clarification or modification to the document.

10. Should the Library find it necessary to modify this Bid, a notice of that modification will be made by way of an addendum that will be posted to the Bid website.

11. If a Bidder fails to notify the Library of a known error or an error that reasonably should have been known prior to the final filing date for submission, the Bidder shall assume the risk. If awarded the contract, the Bidder shall not be entitled to additional compensation or time by reason of the error or its late correction.

12. Payment will be made by the Library only upon completion of the required work or if the Library agrees to progress billing upon presentation of correctly itemized invoices within thirty (30) days of invoice approval.

13. The Successful Bidder is responsible for providing all supporting documentation, including AIA construction progress invoices, certified payrolls, release of liens and permit signoffs for final payment when required.
14. The Library’s payment of any invoice shall not preclude the Library from making claim for adjustment on any item found not to have been in accordance with the general conditions and specific requirements of the contract.

15. In the case of service contracts, payments shall be net upon approval of the monthly invoice for service, unless otherwise stated.

16. This project is subject to compliance with the Prevailing Wage Law. The Successful Bidder must conform to the provisions of Labor Law 220. Prevailing Wage schedules can be found [http://comptroller.nyc.gov/prevailing-wage/wage-schedules/](http://comptroller.nyc.gov/prevailing-wage/wage-schedules/).

17. For each pricing category the Library will score the pricing at the weights listed below and based on the formula, Low Bid divided by Bid multiplied by the weighted score. Bidders are to provide the following bid prices on Form #4 – Bid Sheets:

   a. A single Maximum Straight Hourly Rate for Personnel inclusive performing all sewer and drainage activities and the equipment to perform such activities. Weighted Score: 80 Points.

   b. A single Maximum Straight Hourly Rate for a Jet Vac Truck inclusive of one operator and the performance of all related Jet Vac truck sewer and drainage activities and equipment to perform such activities. Weighted Score: 10 Points.

   c. A single Maximum Straight Hourly Rate for a Pump Truck inclusive of one operator and the performance of all related Pump Truck sewer and drainage activities and equipment to perform such activities. Weighted Score: 10 Points.
