Q1. I am interested in putting a bid in for the apparel contract. I read in the book that a mandatory pre bid meeting is a requirement. I am not local and cannot make a face to face meeting, Can it occur over the phone?

A1. As stated in the bid, Bidders are to email bidcontact@queenslibrary.org to schedule a mandatory bid meeting. The purpose of the meeting is for bidders to look at the samples of the uniform items on the bid sheet. The sample items are incorporated into this specification and bid. The meeting is to occur at the Procurement Department at Queens Central Library and not by phone.
