2. Ask the learners to stand up. Practice by asking the class to: Turn right, go straight, stop, and turn left.
3. Play Find the Object game

   b. Ask the student to open his/her eyes.
   c. Give directions to find the object using: Turn right, go straight, stop, and turn left.
   d. Do this with a few more volunteers.
   e. Ask for a volunteer to call out the directions. The rest of the class can help give directions. Give as many students a chance as time permits.
4. Using Ventures 1, p. 62, learners look at pictures and match the directions. As they finish, continue on to page 3 to look at directions and answer questions about locations. Higher levels continue to p. 66.

Wrap Up/Assessment
- Check their work in step 4 as a class.

Activity 2: Practice with directions vocabulary (25 min)
1. Play a recording of directions, or read the dialogue below to the learners.
2. Before reading the dialogue, ask Where does Andrea want to go? What street is it on? For the second listening, hand out a cloze of the dialogue.
3. After they have completed the cloze, ask questions about it. Ask the learners to circle the verb phrases the man gives.
   Dialogue 1
   Andrea: Excuse me. How do I get to the library?
   Man on the street: Walk one block then turn left on Broadway. Go straight. Pass Steinway Street...
   Andrea: I’m sorry. Can you repeat that?
   Man on the street: Sure. Walk one block. Turn left on Broadway. Go straight. Pass Steinway Street. The library is on your right.
   Andrea: So the library is on Steinway Street?
   Man on the street: No, you pass Steinway Street. The library is on Broadway, on the corner of 41st Street. It’s across from the Colombian restaurant.
   Andrea: Thank you very much.
4. Hand out maps of your neighborhood or use the maps your class created in Unit 6A. The map should have some locations marked (bank, post office supermarket, library) Give directions and ask learners to tell you where you are. (e.g. I’m at the library. Turn left, go one block. Turn right on 118th. Where am I?) Ask for a volunteer to call directions.

5. Ask learners to use their maps to practice giving directions in pairs or small groups
